Africa Specialty Risks

Protecting Africa

Treaty

With a dedicated focus on Africa, we understand the exposures our clients take on and how best to mitigate the impact of these risks on the balance sheet and income statement.

The treaties we offer are backed by strong securities to ensure absolute confidence. We offer a broad range of treaty products to bolster our client's underwriting strength and capabilities, be this as a reinsurance or retrocession.

We have a full suite of treaty products at our disposal and can offer capacity on a proportional or non-proportional basis, which we can deploy on a follow basis behind a credible lead reinsurer.

Types of Treaty

Proportional Treaty

- > Quota Share
- > Surplus

Non-Proportional

- > Risk Excess of Loss
- > Catastrophe Excess of Loss
- > Aggregate Excess of Loss
- > Combined Risk & Cat XL
